

This video was prepared for the general demonstration of the basic steps required to accomplish the specific tasks related to the specific Taco products described in this presentation. Nothing in this video is intended to replace, or modify in any manner the Installation, Operation & Maintenance Manual that accompany each of Taco's products.

WARNING: Failure to adhere to the Taco-provided Installation, Operation & Maintenance Manual for this product can result in injury and/or damage to the product.

For more detailed information please review the Installation, Operation & Maintenance Manual instructions prior to the commencing of any work on the product. For specific questions please call the Taco Technical Services Department at (401) 942-8000.

Additional copies of the Installation, Operation & Maintenance Manual are available at www.taco-hvac.com.
